## **Executive Report – Vice President Saint John – Tammy Bo**

**November 7, 2018**

As the VP of Saint John, I continued to serve as the primary contact at UNB Saint John campus for Union activities and questions. I attended and participated in UGSW Executive Committee meetings, discussed financial budget reports, and drafted bylaw changes. I attended the GSA-SJ orientation and delivered a presentation about UGSW. The orientation was well attended, and it was a great opportunity to reach out to new members. I continued to work with the GSA-SJ to reach out our members, and planning events.

I also helped answer questions from our members related to funding sources and GSTA and/or GSRA payments. I assisted new members in filling their membership applications and answered questions regarding to the UGSW and the Public Service Alliance of Canada, including briefly introducing the Collective Agreement and our By-laws. I continued sitting on the Joint Union Management Committee. Along with our President and previous Chief Steward, we met the Dean and Associate Dean of SGS, and the HR representative to discuss current issues and concerns in terms of management as well as school practices and policies.

As I got more involved, I learned a lot about UGSW, and unions in general. Looking forward, I will keep assisting the President, receive more union training opportunities, motivate members to get involved and complete activities. I will keep collaborating with the rest of the executive team to better serve our members and achieve a better, more equitable working environment.

Regards,

Tammy Bo
